Re: COVID-19

To Our Valued Customers,

In light of the ongoing developments with respect to COVID-19, we wanted to provide an update to our valued customers and industry partners. Tanks-A-Lot continues to maintain regular operations and follow recommendations provided by Alberta Health Services.

The health and safety of our employees and customers is paramount. We have adopted several measures to ensure a safe and healthy workplace including more frequent cleaning services, the implementation of a sanitation service, staggered employee breaks to maintain social distancing, and a pause on all business-related travel.

We continue to monitor the situation and are fully prepared to adapt to these ever-changing circumstances.

We thank you for your patience during these challenging times

Sincerely,

Amir Azizi
President

Justin Goertzen
VP Sales & Marketing
